I need to use the ballot marking device. How do I do that?

Individuals with disabilities who cannot mark a paper ballot (and any other voter who wishes to) can use the ballot marking device (BMD) to create a marked paper ballot for casting their votes. This equipment assists the disabled voter through special interfaces, features and accessories. Tell the poll worker that you would like to use the BMD and what accessibility options you will need; they are trained to help you. If you are marking your ballot with the BMD you will follow a process similar to those marking their ballot in the privacy booth: you will check in and be handed either a pre-printed or blank paper ballot with a privacy sleeve, will place it into the BMD, and will mark it using the BMD accessible interfaces. The machine will display the ballot choices, and, when you are satisfied, the BMD will print the completed ballot out into its privacy sleeve. Then you will scan the ballot as described above. On some BMD machine models, the marked ballot is automatically scanned and counted from the BMD or is automatically stored after printing without transporting it. Poll workers can help you with scanning and submitting the ballot.

To vote, you must:
• live at your present address at least 30 days before an election;
• be a United States citizen;

In the General Election (November 6th), voters will elect federal, state and local officials. When two or more candidates from the same political party seek election for the same office, voters registered in that party vote in a primary election. The primary election is held on the first Tuesday in August (Aug. 19), to vote in the State/Local Primary of your registered party currently registered to vote or are registering in your county for the first time. If you are not registered, you have a NYS driver’s license, Learner Permit or Non-Driver ID. You may register to vote or make changes to your voter registration online or by mail. For more information, visit www.elections.ny.gov ~ 1-800-367-8683

What if I move?
If you move within your county and cannot notify your board of elections, you can go to the polling place for your new address and vote by affidavit (paper) ballot. The ballot will be sent to the board of elections to verify the new address. If verified, your vote will be counted and your change of address will be made a part of their records. If you have a driver’s license or motor vehicle registration and need to file a form with the Department of Motor Vehicles to change your address, you can notify the Board of Elections of your address change at the same time by checking “yes” for that option on DMV’s Form MV-232. You can also change your address, party affiliation or name online at dmv.ny.gov/mydmv/mydmv.

How do I register?
You can register to vote by mail or in person. Your registration is permanent but you must fill out a new Voter Registration Form if you move to a new address, change your name, or want to change your political party. If you change your political party enrollment, the change will not take effect until after the next general election.

Registration by mail
Voter Registration Forms are available on the New York State Board of Elections website, at the League of Women Voters website, at your county board of elections office, town and city halls, your post office and library, from political parties, state agencies, social service agencies, and the League of Women Voters. Consult the COUNDTOWN TO ELECTION DAY portion of this guide for the deadline dates.

Registration online
You may also register to vote or make changes to your voter registration through the NYS Department of Motor Vehicles website, dmv.ny.gov/mydmv/mydmv. This MyDMV service allows you to complete an application to register to vote or to update the information you have on file with the Board of Elections. Updated information could include providing your County Board of Elections with your new name, new address, or changing a party enrollment. Applications are forwarded to the appropriate County Board of Elections for approval and processing. To use this site, you must have a NYS driver’s license, Learner Permit or Non-Driver ID.

What if I move?
Submit a Voter Registration Form with your new information or visit MyDMV (see section above). If you move to a new county, send the form to your new county board of elections if you are registered, your change of address must be received by your board of elections by June 6th for Federal Primary, Aug. 24th for the Primary Election, or by October 17th to vote in the General Election. If you move within your county and cannot notify your board of elections, you can go to the polling place for your new address and vote by affidavit (paper) ballot. The ballot will be sent to the board of elections to verify the new address. If verified, your vote will be counted and your change of address will be made a part of their records. If you have a driver’s license or motor vehicle registration and need to file a form with the Department of Motor Vehicles to change your address, you can notify the Board of Elections of your address change at the same time by checking “yes” for that option on DMV’s Form MV-232. You can also change your address, party affiliation or name online at dmv.ny.gov/mydmv/mydmv.

How do I make sure I am registered to vote?
New York State has a centralized data base of all registered voters and creates the voter rolls at the polling places from this information. You can access the information online using the Voter Registration Search facility on the NYS Board of Elections website (voterlookup.elections.state.ny.us/voterssearch.aspx). As with all computer systems, there can be problems with the data that are transmitted from the rolls. Protect your right to vote by watching your mail for a card from your board of elections with the location of your polling place. If you do not receive such a card well before the election date and do not find yourself listed on your ballot, go to your local board of elections to inquire about your status. Ask them: “Am I registered to vote? Will my name appear in the polling place roll book on Election Day?”

What if I don’t know where to vote?
The board of elections should send you a card telling you the location of your polling place. If you do not receive it, use the online Voter Registration Search facility on the NYS Board of Elections website or call your county board of elections to verify your registration and ask about your polling place.

What if I can’t go to my local polling place on election day?
If you will be away on Election Day or will be unable to go to your polling place because of illness or disability, you can vote by absentee ballot. First you must obtain an Absentee Ballot Application form from your board of elections, or download one from the New York State Board of Elections website or the League of Women Voters website. Complete the application and submit it by mail or in person. Consult the COUNDTOWN TO ELECTION DAY portion of this guide for the deadline dates. Once it has received your Absentee Ballot Application, the board of elections will send or give you an Absentee Ballot form. Complete the ballot and submit it by mail or in person; consult the COUNDTOWN TO ELECTION DAY portion of this guide for the deadline dates.

I am in the military and will be away.
How will I vote?
Both the federal government and New York State have enacted laws that make it easier for military voters and their family members to vote in a timely and efficient manner. You will have a choice to receive forms and ballots by electronic means, and each full month to be sure that you receive forms and ballots in time to meet election deadlines. Call the NYS Board of Elections at 1-800-438-8683, consult your Voting Assistance Officer on base, or visit www.hap.gov for forms and information.

How do I vote while I am in college?
When you are attending college outside your hometown, you may vote in person or by absentee ballot in your home community. You must be registered in your hometown to vote there. You can only claim the right to vote in one locality. If you attend college in NYS, consider yourself a resident of your college community, and have lived there for at least 30 days before an election, you may register and vote in that community, but not elsewhere. If you are from NYS and attend college in another state and consider your college community your residence, consult the elections authority of that state to determine your voting rights. The League’s website, view a brochure on the voting rights of college students (www.lwvny.org).

Can I get time off from work to vote?
New York State law states that if you do not have sufficient time outside your working hours to vote, you may take up to 2 hours at the beginning of or the end of your shift, with pay, to allow you time to vote. You must notify your employer no more than 10 and not less than 2 days before the day of the election that you will take that time.

What can I expect when I go to the polls?
A sample ballot should be posted. If you do not know how to use the voting machine, ask one of the election inspectors for assistance. If you are not on the rolls at your polling place, but believe you are registered to vote, and have verified with the poll worker that you are at the correct polling place for your address, you are legally entitled to vote on an affidavit (paper) ballot. You should also ask the poll worker for advice about following up on your status. After validation by your county board of elections, your affidavit ballot will be counted. If you determine that you are in the wrong polling place, go to the correct one to vote. Be sure to bring some identification, especially if you are voting for the first time.

What is an affidavit ballot?
An affidavit ballot, sometimes called a “provisional ballot” or “paper ballot,” is used when a voter’s name has been omitted from the computer-generated roll book. If you need to use one, you must swear that you are a registered voter and provide your current and previous addresses. At a primary election, you must include the party in which you are enrolled. You may also use an affidavit ballot to challenge your party enrollment as stated in the roll book.

What identification do I need to vote?
Federal law requires persons who register by mail and are voting for the first time to provide identification, either on the Voter Registration Form or in person at the polling place. Identification usually means a current NYS driver’s license or the last four digits of your Social Security number. If you do not have a current NYS driver’s license, you need to provide the last four digits of your Social Security number. If you do not have either of these, you may provide a copy of a valid photo ID, or a current utility bill, bank statement, government check or some other government documentation that shows your name and address. It’s a good idea to bring your ID to the polls, especially if you registered by mail and are voting for the first time.
